THEME

POSSIBLE: *Creating the Future, by Reimagining a New Normal*

Youth Pastor Summit (YPS) is a conference designed to motivate, inspire, and equip every leader who invests in the lives of the next generation. YPS is a unique experience where there is an intentionality towards creating and cultivating an environment that **fosters collaboration, community, and soul-care**. YPS is a great opportunity for leaders to be refueled, recharged, and refreshed!

This year at YPS we want to help leaders create a better future for themselves while reimagining a new normal! If most leaders were honest, they would suggest, the years before the COVID-19 pandemic, their lives were full of distractions within a chaotic world. In Brent Crowe's new book, *Ten Steps to Your Best Life (2021)*, He stated, "Though things seemed in control, we were lacking a joy of accomplishment, the courage from pushing through the unknown into the beautiful, and the wonder of walking down an untraveled road to a new destination. We sought refuge in the safe confines of what we knew, what was familiar. Then, everything changed!"

Therefore, we want to highlight 8-Central ideas and challenge leaders to discover what is **POSSIBLE:**

1. **Main Word: God**
 - a. **Statement: It's POSSIBLE** to create a rhythm of renewal by confidently clinging to the idea that God's provision for our lives is God's presence in our lives
2. **Main Word: Words**
 - a. **Statement: It's POSSIBLE** to let the Word of God shape your words that come from your mouth. "Lord, set up a guard for my mouth; keep watch at the door of my lips" (Psalms 141:3)
3. **Main Word: Rest**
 - a. **Statement: It's POSSIBLE** to discover a healthy and life-giving rest cycle. Busy doesn't mean productive! How are you managing your rest cycle?
4. **Main Word: Relationships**
 - a. **Statement: It's POSSIBLE** to learn how to practice the art of relating well with others. What role do relationships fulfill in the life of a Christ-Follower?
5. **Main Word: Attitude**
 - a. **Statement: It's POSSIBLE** to calibrate the mentality of your heart. There is an attitude that precedes every action. Our attitude has potential for Good and Bad.
6. **Main Word: Worthiness**
 - a. **Statement: It's POSSIBLE** to construct a moral vision for your future. When we understand our worth, we are more willing to empathize with others. You matter to God and your church/school/organization.
7. **Main Word: Integrity**
 - a. **Statement: It's POSSIBLE** to maintain your integrity, even when others around you are not maintaining theirs. "If we are ever to live our best lives, we must commit to walking in the light of truth every day, in every conversation, with every post on social media, and every use of our resources" (Crowe, 2021, p. 178).
8. **Main Word: Contentment**
 - a. **Statement: It's POSSIBLE** to submit and delight in the desires of the Good Father! "When I am content, my relationships are healthier, my attitude is right, and my future moral vision is God-honoring" (Crowe, 2021, p. 203).

TUESDAY BREAKOUT DESCRIPTIONS

Labs are designed to inspire and equip you and your team. We encourage every participant to take full advantage of the practical and relevant training sessions the labs will provide. Make sure your group splits up and attends as many breakout sessions as possible on Tuesday.

10:35 AM Break Out Labs

Lab 1 in The Student Ministry Building Main Room

Brad Lomenick, *Leadership Consultant, Author, and Speaker*

The Culture Conversation: Everyone is asking the questions? What does post-pandemic ministry look like and how can we best prepare for what's to come? As culture shifts, how should the church respond, without compromising the truth and integrity of the gospel? This lab is designed to be a leadership conversation to discuss how leaders can be equipped to do effective and efficient ministry, in the midst of the emerging cultural trends.

Lab 2 in The Connections Room (A210-211)

Ryan McDermott, *Director of Students and Young Adults, Christ Fellowship Church*

How to Make Sure the Ministry Doesn't Crash and Burn When You Leave: What if the true test of our leadership success is not ministries we build, but the people we build to carry them on long after we are gone. Let's talk about some practical ways to build something that outlasts us!

Lab 3 in A205

Dr. Jonathan Denton, *Assistant Professor of Christian Studies/Student Ministry at CSU*

Disciplemaking in a Me-Dominated Culture? The culture that our students live in continues to shift at an ever increasing speed. In this breakout, we will discuss the effects of a culture dominated by "me" where the self is sovereign. We will then discuss the need to present a biblical worldview through relational Cross-centered apologetics/theology and to shape hearts through pastoral care

Lab 4 in The A206

Catherine Renfro, *Director of Evangelism at the North American Mission Board*

Cultivating a Heart for Evangelism: Fear. Uncertainty. Rejection. Or just a lack of intentionality. These are just a few of the tools that Satan uses to keep us from sharing the hope we have in Jesus, with those we cross paths with daily. We see in scripture that God equips those He calls. The truth is, He's called you and He's called the students you lead to share the gospel. As Catherine shares her journey of becoming intentional about sharing the gospel beyond the walls of the church, discover practical ways to live out your calling to make Jesus known and to equip your students to do the same.

11:40 AM Break Out Labs

Lab 1 in The Student Ministry Building Main Room

Greg Stier, *Founder of Dare 2 Share Ministries*

The Failure of Youth Ministry...and How to Fix It: Something is broken in youth ministry. The stats prove it's failing to produce a generation of committed, Jesus-loving, disciple-making students. In this engaging session, you'll not only learn where we've gone wrong but also gain practical solutions you can put in motion immediately to see students passionately pursue Christ and share their faith with others.

Lab 2 in The Connections Room (A210-211)

William Cumby, *Minister of Youth, Fountain of Praise*

Does Digital Ministry Still Matter? At one point we were only online and now our doors are reopening and in-person services are resuming. Do we dismiss our online audience? Little shifts can keep us on course when the path is uncertain. Rooted in John 21: 6, this breakout will explore small yet significant shifts to stay relevant, reimagine possibility, and remain on course!

Lab 3 in The A205

Emily Pigott, *Executive Director of Student Leadership University*

It's POSSIBLE to Reach This Generation: As leaders, we have a vital role in developing students that value leadership and are willing to step out of the cultural norm and lead this generation for the glory of God. Creating an environment that engages and inspires today's students is POSSIBLE through developing strong and meaningful relationships. In this session, we will discover how to create a mentoring environment that enables

students to lead in a way that counters culture and inspires others to do the same. Let's discover together how healthy mentorship can change the trajectory of the lives of students.

Lab 4 in The A206

Dave MacNeill, *Student Partnerships and Ministry with Samaritan's Purse- Operation Christmas Child*
Has Discipleship Changed in this 'Post-Pandemic' World? Samaritan's Purse- Operation Christmas Child has trained over 1.5 Million Teachers and has had over 30.9 Million children enrolled in The Greatest Journey discipleship course since 2009. We will discuss the lessons we have learned about discipleship through the pandemic that could apply directly to your student ministry's discipleship strategy.

Of course! We love when couples do ministry together. Make sure you register them, so they are guaranteed a spot. Each attendee of YPS must be registered for the event and each attendee must register with their unique email address.

I have a small child; can they attend with me?

We think families are great and time together is important. However, this event is ***only for those who are 18 and older*** and who have graduated high school.
