

STUDENT LEADERSHIP UNIVERSITY

THINK. DREAM. LEAD.

Dear SLU Summer Staff Applicant,

Student Leadership University would like to give you an opportunity to be part of the SLU Staff in 2023 and are excited to announce a variety of different opportunities! As a staff member with the SLU Summer programs, you will have the opportunity to learn valuable leadership skills as you take your SLU experience to the next level. As a student at SLU, you learned things such as time and life management, people skills, goal setting, personal evangelism, and servant leadership. As a staff member, you will have the opportunity to apply all that you have learned as you get a chance to equip the next generation of leaders!

On the following pages you will find information about the staff opportunities for the summer of 2023. As you can see some positions are just for one week and some are for the entire summer- so there is quite a variety. Please take a minute and carefully read over the Summer Staff Fact Sheet before you consider applying for one or more of the positions. The responsibilities and opportunities of SLU Summer Staff vary depending on the program, and students will receive more information specific to their position if accepted. Please note that the number of applicants accepted each year depends on the varying needs of each program.

Decisions on summer staff are made on an on-going basis. While applications are not due to the office until **Monday, February 27, 2023**, early applications will be given special consideration. If at any time throughout the application process you have questions, please feel free to contact us at (888) 260-2900 ext. 20 or at alumni@studentleadership.net. We encourage all qualified persons to apply, and we look forward to reviewing your application.

Sincerely,

Emily Pigott
