EVENT THEME

POSSIBLE: *Creating the Future, by Reimagining a New Normal*

Youth Pastor Summit (YPS) is a conference designed to motivate, inspire, and equip every leader who invests in the lives of the next generation. YPS is a unique experience where there is an intentionality towards creating and cultivating an environment that **fosters collaboration, community, and soul-care**. YPS is a great opportunity for leaders to be refueled, recharged, and refreshed!

This year at YPS we want to help leaders create a better future for themselves while reimagining a new normal! If most leaders were honest, they would suggest, the years before the COVID-19 pandemic, their lives were full of distractions within a chaotic world. In Brent Crowe's new book, *Ten Steps to Your Best Life (2021)*, He stated, "Though things seemed in control, we were lacking a joy of accomplishment, the courage from pushing through the unknown into the beautiful, and the wonder of walking down an untraveled road to a new destination. We sought refuge in the safe confines of what we knew, what was familiar. Then, everything changed!"

Therefore, we want to highlight 8-Central ideas and challenge leaders to discover what is **POSSIBLE**:

1. **Main Word: God**
 - a. **Statement: It's POSSIBLE** to create a rhythm of renewal by confidently clinging to the idea that God's provision for our lives is God's presence in our lives
2. **Main Word: Words**
 - a. **Statement: It's POSSIBLE** to let the Word of God shape your words that come from your mouth. "Lord, set up a guard for my mouth; keep watch at the door of my lips" (Psalms 141:3)
3. **Main Word: Rest**
 - a. **Statement: It's POSSIBLE** to discover a healthy and life-giving rest cycle. Busy doesn't mean productive! How are you managing your rest cycle?
4. **Main Word: Relationships**
 - a. **Statement: It's POSSIBLE** to learn how to practice the art of relating well with others. What role do relationships fulfill in the life of a Christ-Follower?
5. **Main Word: Attitude**
 - a. **Statement: It's POSSIBLE** to calibrate the mentality of your heart. There is an attitude that precedes every action. Our attitude has potential for Good and Bad.
6. **Main Word: Worthiness**
 - a. **Statement: It's POSSIBLE** to construct a moral vision for your future. When we understand our worth, we are more willing to empathize with others. You matter to God and your church/school/organization.
7. **Main Word: Integrity**
 - a. **Statement: It's POSSIBLE** to maintain your integrity, even when others around you are not maintaining theirs. "If we are ever to live our best lives, we must commit to walking in the light of truth every day, in every conversation, with every post on social media, and every use of our resources" (Crowe, 2021, p. 178).
8. **Main Word: Contentment**
 - a. **Statement: It's POSSIBLE** to submit and delight in the desires of the Good Father! "When I am content, my relationships are healthier, my attitude is right, and my future moral vision is God-honoring" (Crowe, 2021, p. 203).

TUESDAY BREAKOUT DESCRIPTIONS

Labs are designed to inspire and equip you and your team. We encourage every participant to take full advantage of the practical and relevant training sessions the labs will provide. Make sure your group splits up and attends as many breakout sessions as possible on Tuesday.

10:25 AM Break Out Labs- [Map](#)

Lab 1 in The Main Sanctuary

[Ryan McDermott](#), *Director of Students and Young Adults, Christ Fellowship Church*

How to Make Sure the Ministry Doesn't Crash and Burn When You Leave: What if the true test of our leadership success is not ministries we build, but the people we build to carry them on long after we are gone. Let's talk about some practical ways to build something that outlasts us!

Lab 2 in Henry Chapel (350)

[Dr. Jay Strack](#), *President and Founder, Student Leadership University*

[Dr. Jonathan Denton](#), *Assistant Professor of Christian Studies/Student Ministry at CSU*

Disciplemaking in a Me-Dominated Culture? The culture that our students live in continues to shift at an ever

increasing speed. In this breakout, we will discuss the effects of a culture dominated by "me" where the self is sovereign. We will then discuss the need to present a biblical worldview through relational Cross-centered apologetics/theology and to shape hearts through pastoral care

Lab 3 in Student Center (LMC 500)

[Wil Moore](#), *Lead Student Pastor, Long Hollow Church*

Gospel Over Growth: How to Lead a Spirit-Led Student Ministry. In the desire to grow ministries sometimes we can do a lot of work in the name of Jesus but in our own power. This often leads to burnout, confusion, and a powerless ministry. In this breakout we will dive into the heart of the student pastor to reveal the root of why we lead. Is it the gospel we desire or simply numeric growth?

Lab 4 in The Back Stage (WC 124)

[Catherine Renfro](#), *Director of Evangelism at the North American Mission Board*

Cultivating a Heart for Evangelism: Fear. Uncertainty. Rejection. Or just a lack of intentionality. These are just a few of the tools that Satan uses to keep us from sharing the hope we have in Jesus, with those we cross paths with daily. We see in scripture that God equips those He calls. The truth is, He's called you and He's called the students you lead to share the gospel. As Catherine shares her journey of becoming intentional about sharing the gospel beyond the walls of the church, discover practical ways to live out your calling to make Jesus known and to equip your students to do the same.

11:25 AM Break Out Labs - [Map](#)

Lab 1 in The Main Sanctuary

[Zak Workun](#), *Student Ministry Specialist, LifeWay Christian Resources*

Rest Well: How to find life-giving rest instead of drowning in busyness.

Lab 2 in Henry Chapel (350)

[Emily Pigott](#), *Executive Director of Student Leadership University*

It's POSSIBLE to Reach This Generation: As leaders, we have a vital role in developing students that value leadership and are willing to step out of the cultural norm and lead this generation for the glory of God. Creating an environment that engages and inspires today's students is POSSIBLE through developing strong and meaningful relationships. In this session, we will discover how to create a mentoring environment that enables students to lead in a way that counters culture and inspires others to do the same. Let's discover together how healthy mentorship can change the trajectory of the lives of students.

Lab 3 in Student Center (LMC 500)

[Chris Cox](#), *Associate Pastor of Youth and Discipleship, C3 Hampton*

Discipleship Strategies: Building a foundation for discipleship in your youth ministry. Let's discover together what's at the core of your discipleship strategy for youth ministry. We will develop a roadmap for students that begins with them feeling accepted in your program to them becoming fully engaged leaders and disciple makers.

Lab 4 in The Back Stage (WC 124)

[Dave MacNeill](#), *Student Partnerships and Ministry with Samaritan's Purse- Operation Christmas Child*

Has Discipleship Changed in this 'Post-Pandemic' World? Samaritan's Purse- Operation Christmas Child has trained over 1.5 Million Teachers and has had over 30.9 Million children enrolled in The Greatest Journey discipleship course since 2009. We will discuss the lessons we have learned about discipleship through the pandemic that could apply directly to your student ministry's discipleship strategy.

FREQUENTLY ASKED QUESTIONS

Yes! Through the generosity of Lifeway Students and other sponsors, this conference is being provided for only \$15 to all advanced registration attendees, \$20 for onsite walk-up attendees. Walk up registration must be paid in cash. Dinner on Monday and Lunch is provided on Tuesday, but you are on your own for the rest of your meals as well as lodging if needed.

Who should attend YPS?

Youth Pastor Summit is geared to all youth pastors and key youth leaders (staff or volunteers). It is also open to Christian educators. **All attendees must be 18 years or older.**

Can my spouse attend?

Of course! We love when couples do ministry together. Make sure you register them, so they are guaranteed a spot. Each attendee of YPS must be registered for the event and each attendee must register with their unique email address.

I have a small child; can they attend with me?

We think families are great and time together is important. However, this event is **only for those who are 18 and older** and who have graduated high school.
