## EVENT THEME

**AWAKEN:** *The Remarkable is a leader and influencer of this generation.*

Youth Pastor Summit (YPS) is a conference designed to motivate, inspire, and equip every leader who invests in the lives of the next generation. YPS is a unique experience where there is an intentionality towards creating and cultivating an environment that **fosters collaboration, community, and soul-care**. YPS is a great opportunity for leaders to be refueled, recharged, and refreshed!

This year at YPS, we want to highlight 4-Central ideas and challenge leaders to discover what it means to **AWAKEN** their leadership so that they can **AWAKEN** others:

1. **SALVATION: The Gospel is Still Enough** - Rules, tools, & ideas (and the importance) to help youth pastors and leaders communicate the gospel to Gen Z. When there is so much ambiguity and tension in our culture, we need to go back to the basics and focus on the importance of clearly articulating the gospel...it's still enough.
2. **FREEDOM: Learning How to Let Go** - How to handle challenging topics, tensions, and situations in life and ministry. Leaders and this generation are dealing with so much as it relates to identity, ethics, morality, and the polarization of our culture and politics. Freedom is about helping others learn how to let go of the past, navigate difficult moments, and experience God's sovereignty.
3. **COMMUNITY: Life in the Company of Accountability** - Ministry was never meant to be done in silos. We are only as good as the people around us. Community is a topic that speaks to soul care, the importance of teamwork or getting counseling if you're in crisis.
4. **MISSION: That You May AWAKEN Others** - Jesus makes the assignment clear in Matthew 28:18-20 when he shared the great commission. Today, this mission is still relevant, and it still matters. This idea of "Missions" is about teaching leaders how to mobilize a generation to be salt & light in the current culture.

## TUESDAY BREAKOUT DESCRIPTIONS

Labs are designed to inspire and equip you and your team. We encourage every participant to take full advantage of the practical and relevant training sessions the labs will provide. Make sure your group splits up and attends as many breakout sessions as possible on Tuesday.

### 10:35 AM Break Out Labs

#### **Lab 1 in The Worship Center (Main Room)**

**Lee Wilson**, *Pastor and Author*

**Creating a Culture Changing Youth Ministry:** Culture and the church are in a battle for the next generation. The world is constantly trying to use its influence and power to control what young people do and believe, even as it desires to cancel the church. Despite its disruption and loud voice, CULTURE can't silence the church, rather, the church can change culture. If you want to connect this next generation to CHRIST, we need to be the CHANGE this CULTURE needs. In this breakout lab, Lee Wilson will bring his 35+ years of youth ministry experience in a deep dive training that will provide a blueprint for truth vision, and strategy. This lab will equip and empower you to bring CHANGE by way of the LOCAL CHURCH to this CULTURE.

#### **Lab 2 in The Children's Building**

**Zac Worhun**, *Youth Ministry Booster Co-Founder and Student Ministry Specialist, LifeWay Students*

**ParaSocial Normal:** Revisiting relational youth ministry in 2023

#### **Lab 3 in The Chapel**

**Catherine Renfro**, *Director of Evangelism at the North American Mission Board*

**Creating a Culture of Evangelism:** Purpose and Influence. These two words resonate in the minds of students as they desire to live with purpose and have influence. Creating a culture of evangelism in your ministry will not only equip them to live out their purpose of knowing Jesus and making Him known, but leverage their life for maximum influence as they do things today that will matter for eternity. Join Catherine Renfro, Director of Evangelism at the North American Mission Board, to discuss creating a culture of evangelism in your ministry and mobilizing your students to live a life of purpose and influence as they share the hope of the gospel.

#### **Lab 4 in 501 EF**

**Joey Maldonado**, *Metro Director, First Priority Greater Nashville*

**It's Personal:** The personal truth of discipleship and evangelism. We receive an invitation from Jesus to follow, learn and participate as we follow Him. To lead in community, it must be personal

## 11:40 AM Break Out Labs

### Lab 1 in The Worship Center (Main Room)

[Bethany Barr Phillips](#), *Worship Leader*

**Protecting the Purity of Worship with an Inside Out Approach:** Have you ever felt like your corporate worship times are based on preference or performance? Have you ever questioned what you could do about it, or if it really even matters? Well, the answer is yes, it matters, and in this session, we'll challenge the honorable lies of "successful" corporate worship and how we pursue & protect its purity in our own ministries.

### Lab 2 in The Children's Building

[Chris Cox](#), *Associate Pastor of Youth and Discipleship, C3 Hampton*

**Discipleship Strategies:** Cultivating Influence as You Lead Gen Z: Let's explore effective strategies for leading and disciplining Gen Z with influence. We will examine the unique characteristics and challenges of this generation and discuss how to engage and connect with them in a meaningful way. We will also discuss the importance of building relationships with Gen Z and how to foster trust and authenticity in those relationships.

### Lab 3 in The Chapel

[Amanda Mejias](#), *LifeWay Girls Brand Specialist*

**This is Girls Ministry:** Your relational strategy to reach teen girls.

### Lab 4 in 501 EF

[Dr. Jay Strack](#), *President & Founder of SLU* and [Dr. Jonathan Denton](#), *Assistant Professor of Christian Studies/Student Ministry at CSU*

**Taking Flight:** The wind of the Spirit is blowing among students as revival breaks out. You don't want to be grounded – you want to take flight and fill the plane. Dr. Strack and Dr. Denton together have 60 years of experience in how to stay fueled up, on course, and navigate storms as you strategically lead students into a life-long walk with God.

## FREQUENTLY ASKED QUESTIONS

### Is YPS really only \$15?

Yes! Through the generosity of Lifeway Students and other sponsors, this conference is being provided for only \$15 to all advanced registration attendees, \$20 for onsite walk-up attendees. Lunch is provided on Tuesday, but you are on your own for the rest of your meals as well as lodging if needed.

### Can my spouse attend?

Of course! We love when couples do ministry together. Make sure you register them, so they are guaranteed a spot. Each attendee of YPS must be registered for the event and each attendee must register with their unique email address.

### I have a small child; can they attend with me?

We think families are great and time together is important. However, this event is **only for those who are 18 and older** and who have graduated high school. We want everyone to have the best experience possible at this event, so please make arrangements to leave your children at home or arrange childcare outside of the conference.

### Can I transfer my ticket to someone else?

If you are registered as a group, we will do a one-time transfer of any of your participants, without penalty. Transfers are not available on individual registrations. This one-time transfer must occur a minimum of ten business days before the event. To make a transfer on your account, email us at [yps@studentleadership.net](mailto:yps@studentleadership.net) from your group leader's email indicating the individual(s) you are canceling and the name, email, and DOB of the new registration(s). We will only make a transfer(s) on each group registration one time, and once you have made a transfer, your group is then finalized.
