EVENT THEME

[Inverse: The Counter Cultural Teachings of Jesus](#)

Youth Pastor Summit (YPS) is a conference designed to motivate, inspire, and equip every leader who invests in the lives of the next generation. YPS is a unique experience where there is an intentionality towards creating and cultivating an environment that **fosters collaboration, community, and soul-care**. YPS is a great opportunity for leaders to be refueled, recharged, and refreshed!

This year at YPS, the theme for **YPS 2024** is **I N V E R S E**. *Inverse simply means, “something that is the opposite or reverse of something else.”* When Jesus spoke, His teachings were the inverse of what culture was and is saying. It was the opposite of what we would assume to be true. **This year we will explore some of the most challenging and controversial teachings of Jesus.** One of the most common truths that have regularly been applied to the person of Jesus is the fact that **He comforted the afflicted and afflicted the comfortable.** Yes, Jesus said and demonstrated the most loving, accepting, and grace-filled things. However, He also taught complicated truths that even perplexed the people who knew Him best. Why? Because **Jesus taught both grace AND truth!** So, if we want to have the power to truly change our lives and this world, learning how to navigate the tensions between Jesus’ teachings on grace and truth is essential. Therefore, during **YPS 2024**, we will highlight four counter cultural claims made by Jesus, as it relates to **Unity, Love, Compassion, and Submit to the Calling**

Looking at Psalm 78, we will prepare you to shape parents, families and volunteers to make disciples of the next generation.

Lab 4 in The A208

[Matt Carter](#), *Vice President of Mobilization, Send Network*

Amanda Mejias, *Lifeway Girls Brand Specialist*

Your Role in Stewarding Her Growth – How do you help girls love Jesus even after they're no longer in your ministry? Let's talk about how to not grow weary or complacent in stewarding this time with your girls.

Lab 4 in The A208

Ryan McDermott, *Director of Students and Young Adults, Christ Fellowship Church*

Decoding Gen Alpha – A new generation is upon us! Gen Alpha is the generation born since 2010, now as old as 14, and they are beginning to shift the way that marketers, educators, church leaders and others think about their work. What do we know about these digital natives who are knocking on the doors of our student ministries? As Pastors who care deeply about the "next" generation, let's talk about how we can engage them right now!

FREQUENTLY ASKED QUESTIONS

What is the New 2 Ministry Pre-Conference Gathering at YPS?

Get what you need before the conference even starts! A 3-hour lunch and learn for those who are New2Ministry (2ish years or so). A roundtable session that is wildly practical, conversational, pro-active, and specifically tuned to set up you, a new-ish youth ministry leader with an action plan for how to better build a healthy ministry. Our friends at Lifeway Students want to connect and equip you with the strategy and stuff you need to lead well now. You can sign up for this as part of your regular YPS registration. Space is limited to 50 people.

Where can I hear the SLU Scholar in Residence at YPS?

SLU's Scholar in Residence, Dr. Bill Brown, will speak during the mainstage from YPS as well as answer questions you have submitted (both through registration as well as texted in during the event) in an exclusive breakout session crafted uniquely for YPS attendees in attendance. **Vision for Scholar in Residence Program:** It is SLU's desire to give you, our audience of student ministry practitioners and educators, space to wrestle with worldview type questions that relate to the fast-changing landscape of your student ministries and communities. The vision for this space is that the discussions are crafted and cultivated under the wisdom and guidance of a thought leader. We can think of no better voice to launch this initiative and shepherd these discussions in their inaugural year than Dr. Bill Brown.

Is YPS really only \$15?

Yes! Through the generosity of Lifeway Students and other sponsors, this conference is being provided for only \$15 to all advanced registration attendees, \$20 for onsite walk-up attendees. Lunch is provided on Tuesday, but you are on your own for the rest of your meals as well as lodging if needed.

Who should attend YPS?

Youth Pastor Summit is geared to all youth pastors and key youth leaders (staff or volunteers). It is also open to Christian educators. **All attendees must be 18 years or older.**

Can my spouse attend?

Of course! We love when couples do ministry together. Make sure you register them, so they are guaranteed a spot. Each attendee of YPS must be registered for the event and each attendee must register with their unique email address.

I have a small child; can they attend with me?

We think families are great and time together is important. However, this event is **only for those who are 18 and older** and who have graduated high school. We want everyone to have the best experience possible at this event, so please make arrangements to leave your children at home or arrange childcare outside of the conference.

Can I transfer my ticket to someone else?

If you are registered as a group, we will do a one-time transfer of any of your participants, without penalty. Transfers are not available on individual registrations. This one-time transfer must occur a minimum of ten business days before the event. To make a transfer on your account, email us at yps@studentleadership.net from your group leader's email indicating the individual(s) you are canceling and the name, email, and DOB of the new registration(s). We will only make a transfer(s) on each group registration one time, and once you have made a transfer, your group is then finalized.
