EVENT OVERVIEW

Youth Pastor Summit is a two-day conference that brings together student pastors, educators, and volunteers into one room to foster **collaboration, community, and soul-care**. It is a direct response to the growing need for people to pour into this generation.

As Student Leadership University trains up the next generation, we increasingly recognize the exponential impact that the leaders have on these students. YPS gathers thousands of leaders from across their regions of the country from 30+ denominations and movements. Each YPS includes mainstage sessions and leadership labs. This year, we will host spring YPS events in SoCal, Dallas, Nashville, and Raleigh and introduce the first ever YPS National in Orlando, Florida this fall.

We bring in some of the world's best student ministry minds, communicators, and practitioners to address four foundational and ever-present questions:

1. **Spiritual Formation:** Who are we becoming?
2. **God's Mission:** What story is God telling?
3. **Ethics:** How should we think?
4. **Leadership:** Why and how do we influence?

TUESDAY LEADERSHIP LAB DESCRIPTIONS

Leadership Labs (breakout sessions) are designed to inspire and equip you and your team. Make sure your group splits up and attends as many lab sessions as possible on Tuesday.

10:40 AM BREAKOUT LABS

Lab 1 in The Main Room

[Dr. Kathy Koch](#): *Founder of Celebrate Kids*

Building Resiliency: Dr. Kathy defines resiliency and speaks into how pastors and churches can build resiliency in their students.

Lab 2 in The Hub

[Ryan McDermott](#): *Teaching Pastor & Executive Director of Family Ministry at Christ Fellowship*

Alpha Brain? News headlines have labeled Gen Alpha as "Feral, illiterate, and doomed," but we are seeing something else entirely. Let's examine the latest faith-based research to understand what is really happening in this.

Lab 3 in D1

[Bethany Barr Phillips](#): *Worship Leader, Song Writer, SLU 2025 Artist in Residence*

Worship Beyond the Stage: The Heart of an Artist in Residence: With TikTok preachers and worship industry a part of this generation's church culture, how can we prepare and point them on a path that is beyond popularity? In an age where students are taught to be devoted to themselves, how do we encourage them to cultivate a devotion to God? In this breakout, we'll discuss and gain insight on both personal faith and church culture to point our students to pursuit of God rather than performance for Him.

Lab 4 in Café Round

[Brett Buckland](#), *Manager of Student Ongoing Publishing at Lifeway*

The State of the Bible and the Future of Youth Ministry: Bible literacy is vital for true discipleship. The number of scripturally engaged teenagers is declining, and the rising levels of anxiety, depression, and identity issues among this generation are cause for concern. We need a solution! This session will explore the direct relationship between engaging with Scripture and boosting emotional well-being. Our aim is to provide practical insights and foster meaningful discussions on supporting teenagers in today's world.

Of course! We love when couples do ministry together. Make sure you register them so that they are guaranteed a spot. Each attendee of YPS must be registered for the event and each attendee must register with their unique email address.

I have a small child; can they attend with me?

We think families are great and time together is important. However, this event is **only for those who are 18 and older** and who have graduated high school. We want everyone to have the best experience possible at this event, so please make arrangements to leave your children at home or arrange childcare outside of the conference.

Can I transfer my ticket to someone else?

If you are registered as a group, we will do a one-time transfer of any of your participants, without penalty. Transfers are not available on individual registrations. This one-time transfer must occur a minimum of ten business days before the event. To make a transfer on your account, email us at yps@studentleadership.net from your group leader's email indicating the individual(s) you are canceling and the name, email, and DOB of the new registration(s). We will only make a transfer(s) on each group registration one time, and once you have made a transfer, your group is then finalized.
