What is Youth Pastor Summit?

Student Leadership University has been privileged to host the Youth Pastor Summit as a conference for youth pastors in Orlando for the past 26 years. Hosted in partnership with Lifeway Students, the Youth Pastor Summit is a conference that includes speakers, worship, lunches and free resources for youth pastors. We do this event to invest in and encourage those youth pastors, educators, and youth leaders who are making a lasting impact in the lives of students. This year, we are continuing our expansion of the Youth Pastor Summit with events in Dallas, Nashville, Southern California, and Raleigh. Each event is unique and will have its own line-up, breakout speakers, and set of resources offered.

What is the deadline for exhibitor registration selection?

Because of the extremely limited exhibitor space for YPS, all applications must be received by March 13, 2026 for the spring events and October 2, 2026 for the National Conference. Sending in an application does not guarantee you a space at the Summit - though sending one in early certainly helps your chances! We will review all exhibitor registration forms on a rolling basis. Please note, due to high demand in past years, we anticipate these spots filling early this year - so don't wait! Once selected, you will be emailed a confirmation packet with event specific details as well as payment information.

How do we select exhibitors?

Our goal is to provide the greatest number of resources for our attendees each year in each city. We review all submissions and make selections based on this goal, taking into account preexisting partnerships.

How does load in/load out work?

All Exhibitors must Check-in with SLU event staff upon arrival. Booth setup is to be complete no later than 2 hours prior to event start time. A suggested schedule will be provided prior to the event.

What hotel accommodations are available?

Please visit the lodging link of the YPS site for negotiated rates at participating hotel properties.

What info is city-specific?

- Exhibition Schedule: Booth times vary by city. A detailed schedule of session times, etc. will be emailed along with confirmation of selection.
- Shipping: Shipping materials to and from the event is solely the responsibility of the exhibitor. Due to space limitations, host sites do not have the ability to store any materials more than 5 days in advance. Specific details of each city will be emailed along with confirmation of selection.

Are there any exhibitor regulations?

As you partner with us in providing the best event possible for our attendees, there are a few guidelines we ask that you adhere to:

- Exhibit booths must be set up no later than two hours before event start time or booth space is forfeited.
- Exhibitors are not permitted to sell any resources from your table. Exhibitors are welcome to provide information on resources that attendees can purchase at a later date but cannot sell them directly from your table.
- If selected to be an exhibitor, payment must be received 45 days in advance or upon acceptance if under 45 days.

How do I apply?

Go to <https://slulead.com/yps/exhibitor-application/> to fill out the online application.
